

Cherokee Amateur Radio Society Net Preamble

QST, QST, QST from the **Cherokee Amateur Radio Society Net**. This is [your call](#). My name is [your name](#). I am located in [your location](#). I will be your net control operator tonight.

This is a directed net open to all FCC licensed Amateur Radio Operators. We meet every Thursday night at 8pm on 146.700 mhz with a PL tone of 123hz.

Do we have any emergency traffic for the net? Please call [your call](#).

Do we have any announcements for the net? Please call [your call](#).

Are there any short timers? Please call [your call](#).

Are there any mobiles? Please call [your call](#).

As we begin taking check-ins, please speak slowly and plainly giving your call sign, name and location.

When checking-in you may list a few personal swap shop items.

We will now take regular check-ins:

Call Signs with the prefix **ALPHA** come now.

Call Signs with the prefix **KILO** come now.

Call Signs with the prefix **NOVEMBER** come now.

Call Signs with the prefix **WHISKEY** come now.

Acknowledge each station checking in.

Are there any late stations for the CARS net?

Are there any new stations for the CARS net?

That concludes the CARS net for tonight. If anyone would like to join the Cherokee Amateur Radio Society - The donations are \$24 per year - pro rated at \$2 per month for a family membership. \$18 per year- pro rated at \$1.50 per month. Or a student membership for \$9.00 per year – pro rated at \$.75 per month. Mail your donations to:

James James – 105 Glenell Drive—Woodstock, Ga. 30189

Our monthly CARS meeting is held on the second Saturday of the month, beginning at 10:00 a.m. and the meeting is held at the **Toonigh Baptist Church at 4999 Old Hwy 5, Lebanon** which is North of Woodstock and South of Holly Springs. From I-575 Exit at Sixes Road and head East to Old Hwy 5, turn right and the Church is on the left. **Talk in is on 443.075 + pl(107.2), or 146.700 pl(123.0)**. Any changes in our monthly meeting time or place will be communicated on the weekly net. Everyone is welcome..

We would like to thank Doug Barker, N3DAB for the use of his K4UFO repeater this evening. A pleasant good evening to everyone! This is your net control [your call](#) now returning the K4UFO repeater to normal operation. 73 - [your call](#) - out.
